In addition to answering the W column questions, encourage students to write in the L column anything they found especially interesting. To distinguish between the answers to their questions and the ideas they found interesting, have students code the information in their L columns. For example, they can put a check mark next to the information that answers questions from the K column.

Sumerian Questions and Answers - Sumerian Language Page

Why a Scientific Format? The scientific format may seem confusing for the beginning science writer due to its rigid structure which is so different from writing in the humanities. One reason for using this format is that it is a means of efficiently communicating scientific findings to the broad community of scientists in a uniform manner.
