Why the interviewer is asking this question and a sample of the best way to answer - What is your long-range objective?

Tough Interview Question - What is your long-range objective?

A question is an utterance which typically functions as a request for information. Questions can thus be understood as a kind of illocutionary act in the field of pragmatics or as special kinds of propositions in frameworks of formal semantics such as alternative semantics or inquisitive semantics. The information requested is expected to be provided in the form of an answer.

Question - Wikipedia

Objective Truth. There is an objective truth. It's one truth that's the same for all people. This is the common sense view. It means there is one answer per question. Sometimes people get confused because they ask an ambiguous question.
