Survival movies are one of the only things in modern society that can truly make you question whether you could survive in extreme conditions, against all odds. The thing about survival movies is that they make you think about the worst case scenario; about things that even the most regular weekend ...

The 10 Best Survival Movies of All Time - Mpora

Each creature has one type, which broadly defines its abilities. Some creatures also have one or more subtypes. A creature cannot violate the rules of its subtype without a special ability or quality to explain the difference—templates can often change a creature's type drastically.
