It's a technicality, english is not the official language so not to pick favourites but then you are picking a De Facto favourite. Bolivia, South Africa and many others are doing exactly the same thing with the opposite approach, all their languages are official not to leave anyone out but spanish is de facto in Bolivia and specific provinces in South Africa have one language above all else ...

Other collaborative online encyclopedias were attempted before Wikipedia, but none were as successful. Wikipedia began as a complementary project for Nupedia, a free online English-language encyclopedia project whose articles were written by experts and reviewed under a formal process. It was founded on March 9, 2000, under the ownership of Bomis, a web portal company.
