The side of a ship on which it was laden (that is loaded) was called the ladeboard, but its opposite, starboard, influenced a change in pronunciation to larboard. Then, because larboard was likely to be confused with starboard because of their similarity of sound, it was generally replaced by port.

Trajan was most conspicuous for his justice, for his bravery, and for the simplicity of his habits. He was strong in body, being in his forty-second year when he began to rule, so that in every enterprise he toiled almost as much as the others; and his mental powers were at their highest, so that he had neither the recklessness of youth nor the sluggishness of old age.
