Science curriculum doesn't have to be expensive. A good portion of what we've used for science over the years has been free resources! I remember science being incredibly dry and boring in school and I want my children's science experience to be anything but boring. Because of that, I seek out resources that offer learning through living books and lots and lots of experiments.

Fun Reading Activities for Middle School - Video & Lesson ...

Who doesn't like to play classroom games?? Not only are games fun, interactive, and social, but they're also great tools for learning. With so many demands placed on educators to always be "standards-focused," games can seem like more of a distraction than an instructional tool (especially to principals passing by).

Engaging Classroom Games for All Grades | TeachHUB

I'll give you a concrete example to mull over. Children who are spanked (not abused, but spanked) often experience a host of other problems in life, including psychological maladjustment and behavioral problems. 8 In a study led by my colleague J.C. Barnes, we probed this issue in more detail and found some evidence suggesting that spanking increased the occurrence of overt bad behavior in ...
