LESSON Practice B Understanding Points, Lines, and Planes

Identifying the narrator's view point is an essential reading skill that is often assessed on standardized tests. It's recommend that you discuss the narrative perspective of each text that you introduce to your students, but if your students need rapid improvement at identifying the narrator's view point, then you'll want to use these worksheets.

Point of View Worksheets | Ereading Worksheets

Examine the sample cladogram, each letter on the diagram points to a derived character, or something different (or newer) than what was seen in previous groups. Match the letter to its character. Note: this cladogram was created for simplicity and understanding, it does not represent the established phylogeny for insects and their relatives.
