Reading is a process of getting meaning from print. Early reading includes the direct teaching of words and sounds. Children must be able to distinguish between different sounds of oral language to achieve understanding. They also need basic knowledge about the written alphabet, sound-symbol ...

Reading in First Grade | Colorín Colorado

A chess problem, also called a chess composition, is a puzzle set by the composer using chess pieces on a chess board, which presents the solver with a particular task. For instance, a position may be given with the instruction that White is to move first, and checkmate Black in two moves against any possible defence.
