Period Questions Yahoo Answers

My question is regarding my period. I am 19 and have been having it for a while now. However, lately it has been getting horrible. I have tried birth control pills only to make me feel sick alot. I have been getting nauseous and migranes around the time I start and the first 2 to 3 days of my period I am stuck in bed with the heating pad and a couple darvacets and pepto.

Period questions? | Yahoo Answers

Best Answer: Periods can vary considerably in frequency (how often it comes), duration (how long each one lasts) and intensity (how heavy the flow). This variation is more obvious in the first couple of years. your next period might be just like this one--or very different. The normal range is 20-40 days of ...

PERIOD QUESTIONS?!?!? | Yahoo Answers

So I'm 15 and I've had my period for almost a year. My last period was extremely painful and heavy and lasted for a whole week. I had to come home from school because the cramps were so bad and I threw up twice and had diarrhea. About two weeks later I had heavy spotting but no other symptoms. And I haven't had anything for the last 40 or so days.

Period questions? | Yahoo Answers

Yahoo Philippines Answers ... Period Questions? I usually have very heavy periods (have to change ultra-heavy night pads 3-4 times a day) and this is the second period in a row that is very light (sometimes even stopping but starting up again with weird brown blood clots).

Period Questions? | Yahoo Answers

Best Answer: - A period lasts between 2 and 7 days. Each woman is different. You're most likely to have a smilier period to your mum. - The average cycle is said to be 28 days long. But this can vary, some have 24 day cycle, all the way up to 32 days! (TMI, but mine is 26 days long). Going on 28 days, the ...

Period Questions? (women ONLY please!)? | Yahoo Answers

Best Answer: 1) no it doesnt stop. when u were in the shower u jus couldnt see it because the water diluted it as it went down the drain 2)LOL i used to think that 2 but the pad does nothing when ur not on ur period but it is best to record the day urs starts and ends so that the next month at around that ...
