Traditional Polynesian navigation was used for thousands of years to make long voyages across thousands of miles of the open Pacific Ocean. Navigators travelled to small inhabited islands using wayfinding techniques and knowledge passed by oral tradition from master to apprentice, often in the form of song. Generally each island maintained a guild of navigators who had very high status; in ...

I really had some fun creating my last list of writing prompts, so I decided to try some sci fi writing prompts this time around. NaNoWriMo is coming up and these could definitely be some great inspiration—but they'd work just as well for a short story or novella or full-blown novel any time of the year.
