Mastering genetics all study guide by rebecca_elting includes 51 questions covering vocabulary, terms and more. Quizlet flashcards, activities and games help you improve your grades.

Mastering genetics all Flashcards | Quizlet

Answer The correct answer would be "Diploid sporophytic generation alternating with haploid gametophytic generation" . Alternation of generation refers to the type of life cycle often observed in lower plants. In this life cycle, plants alternate between diploid and haploid stage. For example, a diploid sporophyte produces haploid spores through meiosis
