There are a number of potential problems, so let's work through them step by step. First, check if the video file exists. Depending on the way you inserted the video or what version of PowerPoint you are using, PowerPoint may link to the video file instead of embedding it, so the video file must exist on the computer in order for it to run.

Solve common presentation problems; create effective ...

Solution The solution is how the problem was solved. **Story Elements** Second Grade Reading What are story elements? A good story contains several key ingredients... **Characters** Setting Problem **Solution** **Characters** Characters are the people, animals, or things the story is about. **Setting** The setting is where and when the story takes place.

Story Elements

A problem is an issue that needs to be solved and the solution is how the problem is solved. For example, if I locked my keys in the car that would be a problem because I need to drive to work. One solution to that problem is to call a locksmith and have my car unlocked. As readers we need to pay close attention to problems and solutions in ...
