I'm having quite a struggle over most of the math problems and equations (most are from trigonometry). ... 2 is the hardest one which is why ...

### **The NJIT Math Placement Test. Just a Few Questions About ...**

I have to take the math placement test during my spring break, and I have printed out the practice problems. I am just really nervous for this test because they're holding my honors application because they need another indicator, aka if I do great on the test I could get in (they need another indicator because my ACT scores were a 27 not a 29) so basically how difficult is this test?
