Math Worksheets: Printable, Free, & With Answers

Introduction. The training of domestic horses is traditionally reliant on negative reinforcement to prompt responses, together with positive reinforcement of desired responses and punishment of undesirable ones (McLean, 2005). These practices have changed little since domestication began some 6,000 years ago (Budiansky, 1997; Waran et al., 2002), and although effective, they were not developed ...
