Strong leadership is critical if the vision of a transformed health care system is to be realized. Yet not all nurses begin their career with thoughts of becoming a leader. The nursing profession must produce leaders throughout the health care system, from the bedside to the boardroom, who can serve as full partners with other health professionals and be accountable for their own contributions ...

At age 9, Gandhi entered the local school in Rajkot, near his home. There he studied the rudiments of arithmetic, history, the Gujarati language and geography. At age 11, he joined the High School in Rajkot. He was an average student, won some prizes, but was a shy and tongue tied student, with no interest in games; his only companions were books and school lessons.
