2,000 Years of Catholic Ethics by Rob Esdaille. At its core, Catholic Social Teaching is simply the attempt to spell out the ethical consequences of the confession, "Jesus is Lord," for the way in which we live. It is important to note that it is faith which is the starting-point for this reflection, not simply concern about particular issues facing society.

Notice that marginal revenue does not change as the firm produces more output. That is because the price is determined by supply and demand and does not change as the farmer produces more (keeping in mind that, due to the relative small size of each firm, increasing their supply has no impact on the total market supply where price is determined).
