The Master of International Accounting is typically 8, 12 or 16 credit points. The exact number of credit points you study depends on how much credit you receive as recognition of prior learning (RPL) - your professional experience and previous qualifications - which can save you time and money.

Master of International Accounting | Deakin

A problem that we faced in executing the meta-analysis is the large number of different independent variables used as performance and size measures to predict CEO pay, raising the issue of how to group these different measures within and across studies (Wanous, Sullivan, & Malinak, 1989). For example, size has been operationalized by firm sales, the square root of sales, the log of sales, the ...
