Question samplers are available to familiarize students, educators, and families with how content is assessed by providing examples of the format and items students could encounter.

## **Utah | Question Samplers**

This is a very interesting and unusual position-not one that's easy to explain. Basically, you're trained in a group by a supervisor (some excellent, some good, some not so good-they all have their own style) to score a particular assessment item-for example, you might be scoring 8th grade responses to a question about something that they read in order to gauge reading comprehension; But even ...

Special education (also known as special-needs education, aided education, exceptional education, special ed. or SPED) is the practice of educating students in a way that addresses their individual differences and needs. Ideally, this process involves the individually planned and systematically monitored arrangement of teaching procedures, adapted equipment and materials, and accessible settings.
