The page you've just opened is devoted entirely to military English. If it is what you were looking for, stay with us! Since all authors here are either professional soldiers or English teachers or translators at the same time, military jargon quickly became passion and the need to share our experience appeared.. That is why we decided to create a website dealing with military English vocabulary.

Our K-12 school system is an artificial product of market forces. It isn't a good fit for all—or even most—students. It prioritizes a single way of understanding the world over all others, pushes children into a rigid set of grades with little regard for individual maturity, and slaps “disability” labels over differences in learning style.
