Medical Interventions Honors (MI) Year Three of Project Lead the Way Biomedical Sciences Program. Students follow the life of a fictitious family as they investigate how to prevent, diagnose, and treat disease.

Rodgers, Kim / PLTW Medical Interventions Honors

Project Lead The Way provides transformative learning experiences for PreK-12 students and teachers across the U.S. We create an engaging, hands-on classroom environment and empower students to develop in-demand knowledge and skills they need to thrive. We also provide teachers with the training, resources, and support they need to engage students in real-world learning.
