Pricing is the process whereby a business sets the price at which it will sell its products and services, and may be part of the business's marketing plan. In setting prices, the business will take into account the price at which it could acquire the goods, the manufacturing cost, the market place, competition, market condition, brand, and quality of product.

Program Options. Our program is accredited by the Council on Social Work Education, which means that you will earn a bachelor of social work (B.S.W.) degree. Students from accredited B.S.W. programs have an advantage over students from non-accredited programs in the job market, and they often are able to complete a master's degree in an accelerated program within one year.
