Quality assurance and quality control in construction is a guide for quality engineer and civil engineer. This is an online website that teaches how to assure

Quality Assurance and Quality Control in Construction

I was extremely lucky with my interview because I never really had one, in a formal sense that is. As I talked about in my other post I met with my commander to state my intentions and again to iron out details and both counted as my "interview." If I was a commander I would probably do it the same way, but I know many commander's out there don't have the time or see things differently.

Interview With Your Commander - Air Force Journey
