Recommended reading for the Primary FRCA-updated! Buying books for anaesthetics is a difficult task- it seems no single book offers it all! We would also say that if you are just starting anaesthetics, the practical side of things are going to be the most challenging initially and not the theory, but it is good to read things up as you go along.

Short Reports Style Guide for the development of short reports Short reports can be presented as: formal short reports or memorandums. Short reports are usually less formal and less complex in structure than long reports. Use a memorandum format when the report provides information, rather than analyses information. Clarify the required format with the person who requested the report.
