Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and development partnership between someone with vast experience and someone who wants to learn.

Bush Jr.'s Skeleton Closet . George Bush likes to present himself as a straight-talking, regular guy. But it's an act -- regular guys don't go to Andover Prep, Yale and Harvard Business School, and straight-talking guys don't pretend to be regular guys after growing up in one of the most privileged homes in world history.
