And if micromanager is toxic, then despite your best efforts you might be not able to survive for long. Unless you are prepared on the level of Green Berets (which should become your role model anyway, at least as long as you stay in this environment ;-)) you might not be in the same office the next year, the next month, or after another (negative) performance review.

Voltaire was a versatile and prolific writer. In his lifetime he published numerous works, including books, plays, poems, and polemics. His most famous works included the fictitious Lettres philosophiques (1734) and the satirical novel Candide (1759). The former—a series of essays on English government and society—was a landmark in the history of thought.
