What Was the Trans-Pacific Partnership Agreement (TPP)? The Trans-Pacific Partnership (TPP) was a secretive, multinational trade agreement that threatened to extend restrictive intellectual property (IP) laws across the globe and rewrite international rules on its enforcement. The agreement in its original form fell apart when the United States abandoned it in November 2016

A public-private partnership (PPP, 3P or P3) is a cooperative arrangement between two or more public and private sectors, typically of a long-term nature. Governments have used such a mix of public and private endeavors throughout history. However, the late 20th century and early 21st century [when?] have seen a clear trend towards governments across the globe making greater use of various ...
