The solution to human overpopulation cannot include human rights violations. China's one-child policy, though arguably successful in curbing population growth, has led to human rights violations ranging from forced sterilizations to forced abortions and infanticide. Some population control proponents advocate offering financial incentives for ...

Effects of and Solutions for Human Overpopulation - ThoughtCo

World Population Growth - Solutions to Overpopulation article. So, should we be cold, calculating statisticians who see that a high number of deaths from a natural disaster or, say, the one million people who die each year from malaria don't matter because we've got so many new humans coming down the population-growth conveyor belt anyway?

World Population Growth - Solutions to Overpopulation

Solution tends to imply "fix," which in the case of overpopulation the only way to truly fix the problem would be to reduce the number of people. Since that is not a viable option, "solution" really means "maintenance" in this case. So when I say solution, I mean what is being done and what you can do to help the cause.
