February 2014. By Roger Jeary. Roger Jeary reports on the lessons learned from the IER 's two latest pensions conferences organised by the Institute of Employment Rights.. The impact of pensions and pension legislation – an issue near the top of the agenda for trade unions seeking to protect workers' rights – was the subject of two interesting and well attended IER conferences in February.

English trust law concerns the creation and protection of asset funds, which are usually held by one party for another's benefit. Trusts were a creation of the English law of property and obligations, but also share a history with countries across the Commonwealth and the United States. Trusts developed when claimants in property disputes were dissatisfied with the common law courts and ...

Pension transfer to Aus - main issues for UK migrants. As you can see from the above, the main difference between the two regimes is that whereas in the UK the fund pays no tax on the contributions nor on its income during the accumulation phase (before a pension is taken), in Australia the fund does pay tax on these.
