Linux NFS Overview, FAQ and HOWTO Documents: This document provides an introduction to NFS as implemented in the Linux kernel. It links to developers' sites, mailing list archives, and relevant RFCs, and provides guidance for quickly configuring and getting started with NFS on Linux.

Linux NFS faq

As Neil indicated, try using quotes instead of the <> characters around the filename. When using the quotes, MSVC will look in the same directory as the file the #include is in for the specified file, then if it's not found there will look in the directories specified by the include path. When the filename is surrounded by <> characters, the current file's directory isn't looked at - the ...
