Best Answer: Well I was in school n I had 2 present a poem 2 the whole class. When I was going 2 start this boy said 2 me I think ure bleeding. I looked n mi period was heavy. N plus I was wearin white pants!!! So then mi friend whispered ure period... I ask if I can go 2 da nurse n shee gave me pads n exta ...

so girls let's answer (periods)? | Yahoo Answers

I'm 13 years old and I got my period last tuesday. Today is tuesday again and I STILL have my period, meaning I've had my period for 8 days! The last 2-3 days my period got much lighter (I had a heavy period for at least 5 days) but light blood is still coming out! I know 8 days is normal for some people, but can anybody explain to me why my first period was so heavy and long unlike the ...

Period!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!? | Yahoo Answers

Hey Yahoo ! Today early this morning during a practse for basketball , i went to the washroom and saw i had got my period . This isn't the first time for my period , i have at it since November . I am 13 , and i was wondering if there is anyway to not make it lighter, but to shorten the peiord ? I am regularly 4-5 days, with a meduim flow .

Wait, so you went a year with only having one period? If thats what you said that is not healthy, you need to go to the doctor, possibly get you on birth controll which will keep your periods coming every month like they are suppose to. Having some light bleeding between periods is ok, it's just spotting and it happens sometimes.

period (girls only)? | Yahoo Answers

Okay so this is awkward for me so not hate please. I haven't had my period before and I think this might be my first one. So during today I felt small pains down there but I just ignored it. Today, I was going to take a shower and took off my undies and there was lots of blood. I was scared and embarrassed. I put toilet paper in my underwear before dinner.

Am I on my period? | Yahoo Answers

but i got off really lucky, after my second period, i asked my mom if i had to tell her every time i had my period, and she said i didn't...plus i have my own bathroom, so i don't have to worry about my little brother (just my dog :(lol) anyways, if i were you, i would go just go straight up and tell your mom that you would like to get smaller ...

Yahoo Answers: Answers and Comments for Help with my ...

Best Answer: How old are you? It's common for a woman in her 30's or 40's to bleed irregularly. Perimenopause sets in about that time. This is caused from hormone fluctuations in the cycle. Mostly not enough progesterone is the main culprit. If your not this age it still could be hormones. Or possibly ...

Bleeding between periods? | Yahoo Answers

Best Answer: Yes, it's called going into "heat". Do NOT let her outside unattended or around any male dogs that aren't neutered or you will end up with puppies. You need to get her spayed as soon as possible also to not end up with unwanted pups, it lessens her chances of cancer in the future and it also eliminates the bloody mess in your house and her hormone changes.
