Computer chess includes both hardware (dedicated computers) and software capable of playing chess. Computer chess provides opportunities for players to practice even in the absence of human opponents, and also provides opportunities for analysis, entertainment and training.

Computer chess - Wikipedia

A space elevator is a proposed type of planet-to-space transportation system. The main component would be a cable (also called a tether) anchored to the surface and extending into space. The design would permit vehicles to travel along the cable from a planetary surface, such as the Earth's, directly into space or orbit, without the use of large rockets.

Space elevator - Wikipedia

Govt. Engineering College Bikaner, established in 1999 is one of the renowned institutions in the field of Engineering and Management. Approximately 3500 students are presently studying in the college.
