Education in the United States is provided in public, private, and home schools.. State governments set overall educational standards, often mandate standardized tests for K-12 public school systems and supervise, usually through a board of regents, state colleges, and universities. The bulk of the \$1.3 trillion in funding comes from state and local governments, with federal funding ...

Education in the United States - Wikipedia

Connotation. Although writers can make mistakes in denotation, a writer is more apt to miss the right word by misjudging its connotation. Connotation refers to the emotional or psychological associations a word carries with it. The connotation of a word goes beyond its strict meaning to express the feelings, thoughts, and images the word suggests or evokes.

Understanding Denotation and Connotation | Expanding Your ...

Special education (also known as special-needs education, aided education, exceptional education, special ed. or SPED) is the practice of educating students in a way that addresses their individual differences and needs. Ideally, this process involves the individually planned and systematically monitored arrangement of teaching procedures, adapted equipment and materials, and accessible settings.
