Using a Comma before And in a Series. Writers frequently wonder whether a comma should go before the conjunction and in a list of three or more items. Despite the fact that not all style books agree on this issue, we recommend using a comma after the next-to-last item in a series—the serial (or Oxford or Harvard) comma, as it is called.

I think that this is a very good method to help students to memorize the meaning of new vocabulary. They can also use these words in various situations and dialogues with their classmates, they also can use these words in outside the class to help themselves to understand and memorize these words more and more. Working in pairs and groups is an excellent way for communicative learning.
