Recommended software downloads: Below are links to general freeware programs that I highly recommend for learning chemistry.

Honors Chemistry - Darrell Feebeck

During the seventeenth and especially eighteenth centuries, driven both by a desire to understand nature and a quest to make balloons in which they could fly (), a number of scientists established the relationships between the macroscopic physical properties of gases, that is, pressure, volume, temperature, and amount of gas. Although their measurements were not precise by today's standards ...
