Regional Awards of Merit. Given to individuals, companies, organizations, municipalities, or other entities working in the dam safety field that have made outstanding contributions to dam safety on a regional level.

ASDSO Awards | Association of State Dam Safety

Classroom management is a term teachers use to describe the process of ensuring that classroom lessons run smoothly without disruptive behavior from students compromising the delivery of instruction. The term also implies the prevention of disruptive behavior preemptively, as well as effectively responding to it after it happens.

Classroom management - Wikipedia

This session is designed to support increased academic performance on the Health Education Systems, Inc. Admission Assessment Exam. The session will provide a general overview of program strengths and key elements to consider that include: admission and early identification, required coursework, course design and staff support, and program assessment practices.
