For this post I share what you should and shouldn't include in an architecture cover letter. I will also discuss some general tips, formatting, submitting options along with a sample architecture cover letter.

How To Write The Perfect Architecture Cover Letter

Question: Just how much should students practice what they learn? On the one hand, it seems obvious that practice is important. After all, "practice makes perfect." On the other hand, it seems just as obvious that practicing the same material again and again would be boring for students. How much practice is the right amount?
