Footnotes . 1 Michele J. Gelfand & Lisa H. Nishii, Discrimination in Organizations: An Organizational-Level Systems Perspective, in Discrimination at Work: The Psychological and Organizational Bases 89, 101 (Robert L. Dipboye & Adrienne Colella eds., 2004).. 2 All reasonable accommodation examples used in this document assume that the employee meets the ADA definition of “disability.”

The Americans with Disabilities Act: Applying Performance ...

Denormalising to improve performance? It sounds convincing, but it doesn't hold water. Chris Date, who in company with Dr Ted Codd was the original proponent of the relational data model, ran out of patience with misinformed arguments against normalisation and systematically demolished them using scientific method: he got large databases and tested these assertions.

performance - When and why are database joins expensive ...

Important: Access provides design experiences that let you create database applications for the Web. Many design considerations are different when you design for the Web. This article doesn't discuss Web database application design. For more information, see the article Build a database to share on the Web.
