About Pearson

Education in the United States is provided in public, private, and home schools.. State governments set overall educational standards, often mandate standardized tests for K-12 public school systems and supervise, usually through a board of regents, state colleges, and universities. The bulk of the \$1.3 trillion in funding comes from state and local governments, with federal funding ...

Protocol analysts know how to employ esoteric hardware and/or software tools to examine traffic in motion across a network. Furthermore, they know how to decode and understand the implications of what they see in that data stream, where network pathologies, outside or inside attacks, poorly designed applications, and strange network layouts, among many other causes, can make life interesting.
