To assist medical and hearing-science professionals in supporting parents of deaf children, we have identified common questions that parents may have and provide evidence-based answers.

Support for parents of deaf children: Common questions and ...

The General Education Development (GED) tests are a group of four subject tests which, when passed, provide certification that the test taker has United States or Canadian high school-level academic skills. It is an alternative to the US High school diploma, HiSET and TASC test. The GED Testing website currently does not refer to the test as anything but "GED".

General Educational Development - Wikipedia

Education in the United States is provided in public, private, and home schools.. State governments set overall educational standards, often mandate standardized tests for K–12 public school systems and supervise, usually through a board of regents, state colleges, and universities. The bulk of the \$1.3 trillion in funding comes from state and local governments, with federal funding ...

Standardized tests have been a part of American education since the mid-1800s. Their use skyrocketed after 2002's No Child Left Behind Act (NCLB) mandated annual testing in all 50 states. US students slipped from being ranked 18th in the world in math in 2000 to 40th in 2015, and from 14th to 25th in science and from 15th to 24th in reading.
