You now have access to what I believe is the most effective teambuilding system in existence. No, it is not this book, How NASA Builds Teams. It is this book combined with (free) assets available at www.4-DSystems.com. I know this because we have developed nearly 200 NASA project, engineering, and management teams over the past five years.

How NASA Builds Teams

Would you like to know everything about mathematics?. Do you think that is impossible? It isn't if you are willing to read and study many books and videos. You can't learn everything from formal school class lectures - they can't allow time for the information to be completely absorbed.
