Hi Rachel – The only two sources I found say that it is around 3 – 3.5. In this forum post, a user says it is 3.15 (she claims to have measured it), and on this Answers page, someone guesses 3.0 – 3.5, which I would probably agree with if I had to guess.. Keep in mind that you probably won't have a problem drinking it in moderation, but if you're drinking it all the time, it could ...

I accidentally walked in to my son self-pleasuring today and he's feeling embarrassed by this to the point he won't speak to me. He had been watching a Taylor Swift concert special on Netflix and when I went to go into his room to comment on her performance I saw him self-pleasuring with her paused on the screen. He was startled but I just blurted out that's okay and she's nice.
