The Puritans were English Protestants in the 16th and 17th centuries who sought to purify the Church of England of Roman Catholic practices, maintaining that the Church of England had not been fully reformed and needed to become more Protestant. Puritanism played a significant role in English history, especially during the Protectorate.. Puritans were dissatisfied with the limited extent of ...

In addition to mounting economic difficulties, sociopolitical repression by the shah's regime increased in the 1970s. Outlets for political participation were minimal, and opposition parties such as the National Front (a loose coalition of nationalists, clerics, and noncommunist left-wing parties) and the pro-Soviet Tūdeh ("Masses") Party were marginalized or outlawed.

All Americans should know this earlier history of the Puritans in England. And why? Because the English Civil War showcases the potent politico-religious elements that still drives much of our present American history. The story of the Puritans coming to power back in England goes beyond the regicide of Charles I. It did not all center on one man Oliver Cromwell and his role as Lord Protector ...
