Portfolio Management Multiple Choice Questions

The Project Management Professional (PMP) ® is the most important industry-recognized certification for project managers. You can find PMPs leading projects in nearly every country and, unlike other certifications that focus on a particular geography or domain, the PMP ® is truly global. As a PMP, you can work in virtually any industry, with any methodology and in any location.

Project Management Professional Certification | PMP

What Is a Project, and What Is a Program Portfolio? To understand project portfolio management, we'll break the term down into its parts. As it relates to PPM, a project is an individual effort to create a discrete product or service in a bounded amount of time. A program is a group of related projects, often with a common goal. Finally, a portfolio is the management of multiple programs ...
