Overview. Even though, for example, physics and sociology are distinct disciplines, the thesis of the unity of science says that in principle they must be part of a unified intellectual endeavor: science. The unity of science thesis is often associated with a framework of levels of organization in nature, where physics is the most basic, chemistry the level above physics, biology above ...

Childhood Apraxia of Speech Versus Developmental Apraxia of Speech. The Committee recommends childhood apraxia of speech (CAS) as the classification term for this distinct type of childhood (pediatric) speech sound disorder. Beginning with the first word in this term, two considerations motivate replacing the widely used developmental with the word childhood.
