A hair follicle drug test is one of the best drug tests out there. It is difficult to pass a hair follicle drug test as when compared with the other testing methods the hair on the body does not renew itself and traces of drugs stay in the hair for months. That is why this test is very difficult to beat. The other common drug tests are urine test and blood test and since urine and blood renew ...

Went to look at a 98 Porsche Boxster. We could not com to terms on that car but they found another Boxster that worked out better. Ordered the car when it came in they drove it to my home 50 miles away to deliver for free and even contacted me a few days later to make sure every thing was good with the car.
