Mu'allaqat - Wikipedia

A philosophy of a close link between the subjectivity of the fine arts and the objective world of science made Piet Hein (1905-1996) one of the most original Danes of the 20th century. P. Hein was indeed a manysided man in the best sense: he was philosopher, mathematician, designer, scientist, game inventor and author!

Flint is a place

Read the essential details about the author John Simkin that includes images, quotations and the main facts of his life. While studying at the Open University I became convinced by the ideas of Jerome Bruner on active learning. Since I began teaching history in 1978 I have attempted to produce materials that enable active learning to take place.

A big thanks to everyone so far who have generously submitted the very special and personal poems listed below. This is now the largest collection of cancer related poems in the world but a word of warning some can be very emotive.

Poems from cancer patients, poems related to cancer

The HyperTexts Albert Einstein Poetry and Quotes Was Albert Einstein a poet? Was Einstein, perhaps, a major poet who remains better known for other, far less significant things —small things such as discovering the relativistic nature of time and space? Of course I'm teasing, but I will make the case that Albert Einstein was not only a poet, but a very romantic poet!
