Thorbjörn Andersson with Sweco architects: When commissioned as designers for the new Physic Garden at Novartis Campus, Basel, Switzerland, the idea of trying to create a modern version of the medieval monastery garden intrigued us. It would add a depth of time to the place, as well as symbolic content: the monastery garden represents the very origin of pharmacy as a science and thus the ...

Everyone knows that a lot of serious music listeners—that is, those who listen to music instead of using it as a conversational background—have neither the space nor the money for a pair of typical floor-standing speakers, and must make do with bookshelf-type systems that are actually small enough to put in a bookshelf. But while the typical audio perfectionist will freely admit that there ...
