English orthography is the system of writing conventions used to represent spoken English in written form that allows readers to connect spelling to sound to meaning.. Like the orthography of most world languages, English orthography has a broad degree of standardization. However, unlike with most languages, there are multiple ways to spell nearly every phoneme (sound), and most letters also ...

Get an overview of the characteristics associated with reading problems as well as the planning and implementation of effective interventions. Fundamental components of teaching such as scaffolding, connecting to prior knowledge, motivating, and providing opportunities to practice skills

should be implemented.

Best Practices in Planning Interventions for Students With ...

The English language was first introduced to the Americas by British colonization, beginning in the late 16th and early 17th centuries. The language also spread to numerous other parts of the world as a result of British trade and colonisation and the spread of the former British Empire, which, by 1921, included about 470–570 million people, about a quarter of the world's population.
