Organization Development And Change Answers

Dialogic OD is the next step in the evolution of organizational change theory, from thinking of organizations as organisms that adapt to their environments, to organizations as conversations where individual, group, and organizational actions result from self-organizing, socially constructed realities created and sustained by the prevailing narratives, stories, and conversations through which ...

Dialogic Organization Development

Resources: An organization depends upon availability of certain external resources for its operations and productivity. Skilled Workers: These include undergraduate students, related university courses, training schools and labor market. The availability of adequately skilled employees at various levels in the organization can change dramatically over the period of time.
